## Burn the Cabbage.

Now that the cabbage snake is a certainty, many people are abandoning their crops of cabbage and letting it rot in the patch. Would it not be a good plan to gather up all the cabbage and other trash, such as weeds and dead grass, and pile them in a heap and burn them? If these snakes are propagated through the agency of eggs, would not the leaving of the dead cabbage on the ground be the means of so impregnating the soil with their eggs that should the same place be used another year for some other crop, who knows but what these dangerous reptiles might next be found in ears of corn and any other plants that would afford them a hiding place? Therefore, by all means, let us destroy his snakeship by means of a good roasting fire.

Mrs. A. M. Burgher and Mrs. N. R. Swope are visiting their sister, Mrs. Noah Rose, at Jackson this week.

Supt. K. J. Day, of Hindman, Knott county, paid the Clay City Graded School a call Friday afternoon.

## Sunday-School Convention.

A grand Sunday-School convention will be held at the Methodist church in Clay City on Nov. 15. Rev. E. A. Fox, who has recently visited Palestine, and other eminent speakers will be present. Everybody cordially invited. The program will be interesting as well as instructive. We are desirous of having a large attendance on that day to hear the brilliant oratory, which will be pleasing to old and young alike. Yours truly, JAMES WOOLERY.

## NOTICE.

Work has begun on the new steel bridge crossing Red river in this city at Waltersville and all persons who subscribed to the bridge fund will please call around and pay the amount over to the city council and get a receipt for the same.

J. E. BURGER, City Clerk.

Four shares of the Clark county National Bank stock sold last week in Winchester for \$400. This is the highest price ever paid for bank stock in this part of the country.

## NEW BRIDGE

Over Red River at Waltersville Now Being Constructed.

Work to be Pushed as Rapidly as Possible.—To be Completed by December 1st.

Mr. I. D. Wysong was sent here Monday by the Champion Bridge Company, of Wilmington, O., to superintend the construction of the new iron bridge over Red River at Waltersville. Mr. Wysong got together a force of hands and began work Tuesday and will proceed as rapidly as possible, and with favorable weather continuing, no trouble is anticipated in getting the bridge finished by December 1st, the date named in the contract.

When completed our city council and private citizens, who contributed so generously to the bridge fund will certainly have something to be proud of and feel that it is money well invested, and those who laughed at the idea of a bridge ever being built at that place will surely feel that they have missed their calculations for once.

## A Heavy Load.

To lift that load off of the stomach take Kodol Dyspepsia Cure. It digests what you eat, sour stomach, belching, gas on stomach, and all disorders of the stomach that are curable, are instantly relieved and permanently cured by the use of Kodol Dyspepsia Cure. S. P. Stoops, a druggist, at 297, Main street, New Britain Conn., says: "Kodol Dyspepsia Cure has given such universal satisfaction and is so surely becoming the positive relief and subsequent cure for this distressing ailment, I feel I am always sure to satisfy and gratify my customers by offering it to them. I write this to show how well the remedy is spoken of here." Kodol Dyspepsia Cure was discovered after years of scientific experiments, and will positively cure all stomach troubles. Sold by M. Rose.

## A Home for Kentucky Friends.

Parties coming should write in advance and they will be met at depot. 5 minutes ride or 15 minutes walk to depot.

## An Ordinance.

The City Council of the City of Clay City do ordain as follows:

Sec. I. That the second Saturday in each October be and is hereby established as a special day for supplementary registration of voters.

Sec. II. This ordinance shall be in full force and effect from and after its publication.

J. H. TERRY, Mayor J. E. BURGER, Clerk.

## Hard Money to Collect.

Sheriff Chinn levied on the Harrodsburg electric light plant and the city hall property to collect \$11,000 awarded the Harrodsburg Water Company recently at the trial of the case in the Anderson circuit court. The Water Company sued the city for water rents due since 1892, amounting to \$22,000, and at the trial of the case at Lawrenceburg secured judgment for one-half the amount prayed for. Hon. Robt. Harding, representing the city, contends that the city's property can not be sold to pay judgments.

It seems that it is a difficult matter to collect judgments in other towns as well as Clay City, and as our town has no electric light plant of her own and no city hall, persons holding judgments against said city have even much less showing to collect them than in a rich city like Harrodsburg. Be content. There is but one way to get money from the town of Clay City, and that is at the own sweet will of the councilmen. However, they were never known to turn down a just claim.

## Snow Creek.

Mrs. Nancy Lowry is on the sick list at this writing.

Miss Jennie, daughter of Mr. and Mrs. J. B. Rose, visited her grandparents at this place last week.

Mrs. Lucy Ogden and daughter Lula, visited in Estill county last Sunday.

Albert Wood sold to a Winchester party one saddle mare for \$85.

J. G. Vivion has purchased the Pence property at Kiddville and will move to same soon.

Milton Hudson, formerly of this place, but who now lives in Missouri, is visiting friends and relatives here.

Some good-for-nothing sort of a fellow visited the barn of Chuff Howard Sunday night and carried away with him a set of wagon harness.

## Thousands Cured.

DeWitt's Witch Hazel Salve has cured thousands of cases of Piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of our druggist," so writes C. H. LaCroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by M. Rose.

As evidence of the scarcity of houses in Clay City, there were in as many minutes three applications for the Methodist parsonage Monday morning when Pastor Crawford arrived here. There is not a house in Clay City but what is occupied or engaged. We consider this pretty good evidence of prosperity in town.

## Here is Your Chance.

C. Shimfessel has a large quantity of Ladies Skirts, Hats, Dress Gingham and other goods which he is disposing of AT COST for CASH. These goods are seasonable and will not last long at the price he is selling them.

A local Republican freely offers to bet on his standard-bearer Roosevelt. This is nothing. The day of the election when Cleveland was elected the odds were two to one in favor of Blaine, but the odds had nothing to do whatever with Blaine's defeat.

Even Bryan could not thaw  
Senator Icebanks.—Harrodsburg  
Democrat.

As a worker for Democratic  
victory W. J. Bryan is proving  
himself a wheel-horse.

The declaration of independ-  
ence has been so amended by  
Roosevelt that it now reads "all  
men are created free and equal,  
except the Filipinos."—Lexing-  
ton Democrat.

Democracy has more than a  
fighting chance for victory next  
Tuesday, but, fellow Democrats,  
we must be up and doing; there  
must be no lagging in the ranks,  
for we want to put the rough  
rider and his "coon" equality  
policy down to stay down.

### MENT.

I have made a deal with Mr.  
J. E. Burgher by which I become  
publisher of THE CLAY CITY TIMES  
and as such shall spare no effort  
to make it the best newspaper in  
Eastern Kentucky. To that end  
I invite all the friends and well-  
wishers of the paper to lend a  
helping hand. If you know any  
news item in your community  
send it in and it will be appreci-  
ated and published promptly.

As to my reliability I refer you  
to my friends in this immediate  
section, for I am no stranger here,  
having been born August 25, 1875,  
within three miles of Clay City,  
and have spent all my life there  
with the exception of the last six  
years which were spent in Har-  
rodsburg, Ky.

As to the politics of the paper  
it shall adhere strictly to Demo-  
cratic principles as heretofore,  
always supporting the nominees  
and doing all within its power to  
help them to triumph over the  
common enemy.

Respectfully submitted,  
I. G. JACKSON.

### To Our Subscribers and Patrons.

With this issue the manage-  
ment of the CLAY CITY TIMES is  
turned over to Mr. I. G. Jackson,  
of Harrodsburg, Ky. We have  
not severed our connection with  
the paper, nor has our interest  
in the same decreased, but we  
have assumed the management  
of the Clay City Roller Mills and  
find it impossible to do justice to  
both concerns and assume control  
of each.

Mr. Jackson was born and  
reared in Powell county, but has  
been with the Harrodsburg Dem-  
ocrat for the past six years. He  
learned the printers' trade in  
our office at Spout Spring, and is  
thoroughly responsible and reli-  
able in every particular. Our  
patrons will have no fears of the  
slightest decrease in the quality  
of the paper under his manage-  
ment. He will give his whole  
attention to the business and can  
and will improve the paper. We  
will also render all the assistance  
possible to make the paper the  
best in Eastern Kentucky as well  
as the most profitable. We hope  
the people of Powell county will  
continue to give THE TIMES the  
same liberal patronage in the  
future as in the past, and we  
promise that we will continue to  
labor hard for the advancement  
of the county's interest as in the  
past. J. E. BURGER.

## We Risk It

Agree, If It Fails,  
To Refund Cost.**

Of course we reimburse the druggist.  
You know him, and trust him.  
Dr. Miles' Nervine is medicine for your  
nerves.

It cures diseases of the internal or-  
gans, by giving tone to the nerves which  
make these organs work.

It is a novel theory—not of anatomy,  
but of treatment, first discovered by  
Dr. Miles, and since made use of by  
many wide-awake physicians, who ap-  
preciate its value in treating the sick.

If you are sick, we offer you a way to  
be made well—Dr. Miles' Nervine.

This medicine is a scientific cure for  
nervous disorders, such as Neuralgia,  
Headache, Loss of Memory, Sleepless-  
ness, Spasms, Backache, St. Vitus'  
Dance, Epilepsy or Fits, Nervous Pro-  
stration, etc.

By toning up the nerves, Dr. Miles'  
Restorative Nervine will also cure those  
diseases of the internal organs due to  
a disordered nervous system.

Some of these are: Indigestion, Bil-  
ious Headache, Kidney Trouble, Chronic  
Constipation, Dropsy, Catarrh, Rheuma-  
tism, etc.

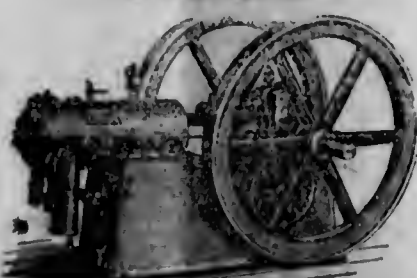

"My brother had nervous prostration,  
and was not expected to live. I pre-  
valued upon him to try Dr. Miles'  
Restorative Nervine, and now he has  
fully recovered. You remember I wrote  
you how it saved my life a few years  
ago, when I had nervous trouble. I  
preach its merits to everyone."—REV.

ON THE INCREASE.

World's Fair Travel  
Getting Heavier.

While the volume of travel to St. Louis on account of the World's Fair has not quite come up to the expectations of the World's Fair management, or the railroad's it has been as large as was expected, all things considered.

The banner months, so far as attendance is concerned, will be September, October and November, and during these three months the admission will undoubtedly equal, if not surpass, the entire number registered up to August 31st inclusive.

It is certainly a big, grand show and one that no person with the means should miss. It is the opportunity of a life time in an educational way and one that will be taken advantage of by the great majority of the people of America before its close. It is an attraction that all Americans are proud of, and justly so.

On account of its unexcelled train service, both as regards equipment and accommodations, the Louisville, Henderson & St. Louis Railway, better known as the Henderson Route, has carried the majority of Kentuckians to St. Louis and have beyond a doubt been more instrumental in contributing to the success of the Fair than any other railroad in this territory.

The Henderson Route is justly entitled to all the praise that is being showered on them, as their train service is unquestionably the finest operated in or out of Kentucky, and their schedule of trains is more nearly maintained than on the majority of roads.

For comfort in travel and for the best accommodations safest train schedules there's but one thing to at all times keep in mind—get the Henderson Route habit—and request this routing in purchasing your tickets.

# THE NEW IDEA WOMAN'S MAGAZINE

For November

From an article on "Evening Dresses" in the NEW IDEA WOMAN'S MAGAZINE for November, it appears that dinner and reception gowns especially are to be very elaborate this season, following the general trend of fashion. A number of pretty cuts also show the latest designs in the ubiquitous "stock". "Perdita" continues her little solutions in household economies, this month setting forth her idea of how the best can be got out of a \$1,500 income when living in a New York apartment house; and several columns are devoted to definite directions for preparing each item of the Thanksgiving dinner, from the turkey stuffing to the pumpkin pie. There are two short stories of Cupid's cases, one centered in a New artist's studio and the other in a shrewd, good little country widow's parlor. Some views illustrating "A Bit of Holland in the Tropics" show a very attractive side of Caramo in the Dutch West Indies, and a review that brings back tender memories is that of Jennette Young on "Your Childhood's Garden". Articles on Child Development, Business Life, Flower Culture, Social Settlements, etc., etc., make up a very readable number.

I was all run down from nervousness and overwork and had to get my position and take a rest. I found that I was not getting my strength and health as fast as I could wish, and as your Wine of Cardui was recommended to me as a good medicine for the ill of our sex, I bought a bottle and began using it. I was satisfied with the results from the use of the first bottle, and took another when I found I was restored to good health and strength and able to take up my work with renewed vigor. I consider it a fine tonic and excellent for women of nervous condition, and am pleased to endorse it.
